HARVEST SAVER

Cabinet Dryer
88 Square Feet

MADE IN THE USA

www.dryer.com

Commercial Dehydrator Systems, LLC

CDS dehydrators are the most powerful, cost-efficient and affordable dryer systems on the market today.

HARVEST SAVER

Compact and easy to operate, the Harvest Saver has 88 square feet of dehydrating capacity and is an ideal entry-level dryer, so energy efficient it pays for itself in 2.5 years.

5' tall, mobile on casters, the Harvest Saver rolls through standard doorways

Harvest Saver Vs. the Competition

Other dehydrators use between TWO and THREE TIMES the electricity as the Harvest Saver - and as the years go by, the savings add up.

1 Year Savings: $9,450
5 Year Savings: $47,250
10 Year Savings: $94,500
20 Year Savings: $189,000

THE FEATURES that make this our BEST-SELLING DRYER!

- Precise humidity controls ensure best results
- Temperature range: ambient to 200°F /93.33°C
- Programmable timer
- 14 trays, 24" x 38" (60.96 x 91.44 cm)
