

XpressChef™ 3i

Looks as good in the front-of-house as it does in the kitchen.

VENTLESS HIGH SPEED OVEN

- Radically reduce service time—no sacrifice in food quality
- Produce more with less equipment —Toast, grill, bake, and steam fresh, and on-demand
- Removable panini press accessory available—panini sandwiches toasted to perfection, without a hood!
- Consistent results even during peak periods
- Smartphone-like display—highest definition recipe photos in its class
- Eliminate cooking errors —greater consistency, less waste
- User-friendly - anyone can operate
- Locate anywhere - no ventilation required
- Available in color! Stainless Steel, Red, and Black color options
- Safer drop down door —keeps operators further away from hot surfaces when the door is open
- Menu Management app, Wifi, Ethernet, Smart USB (no special formatting) standard

Exceptional warranty and service support. Backed by ACP ComServ—the best 24/7/365 service and support in the business.
